

Become a SolShare Installation Partner

Discover the transformative power of our **SolShare** technology, revolutionising solar energy access for apartments, multi-tenant buildings, and communities.

Allume 
INSTALLATION
PARTNER

Join as a SolShare Installation Partner (SIP) and become a vital contributor to the technical execution of **SolShare** solar projects, which are rapidly expanding across Australia.

It's a win win

By becoming a SIP, you'll help us fulfil the growing demand for SolShare.

After completing our tailored training program, you'll gain expertise in SolShare system design, installation, and earn valuable CPD points to enhance your professional growth.

ENQUIRE NOW TO ACCESS:

Comprehensive Training with CPD Points
